will publish a schedule of these marks and grades or grade averages; the schedule will be available from the Registry.

*Note: While for most courses the guaranteed entry level so specified will be an overall bursary mark or grade average, for some it may be a mark or grade in a particular subject or subjects. In courses where academic merit is not the sole criterion for admission, no guaranteed mark or grade can be given.*

Students who have attained the mark or grade or grade average specified for guaranteed entry to a course under Regulation 8 (a) will be accepted into the course, provided they have applied to enrol for it by the due date.

Students who are not guaranteed entry under this regulation will be considered for admission to the course under the usual selection criteria specified in Regulation 2.

9. Notwithstanding anything in Regulation 8, acceptance into a course is subject to the student having satisfied all prerequisites and co-requisites for that course, and all other requirements of the University regulations.

*Note: Attention is drawn to Regulation A.1(c) of the General Course and Examination Regulations which provides that a student may be refused permission to enrol in a course of study if it is not suitable.*
