Note: Students attempting to achieve University Entrance under NCEA in one year are not eligible to apply for Discretionary Entrance in that year. They may, however, apply for entry to summer programme credit courses. If University Entrance is not gained, the student may continue with the course and if successful will be credited with the course when eligibility to enrol at the University is achieved.

Part 2

Enrolment in courses in Fine Arts shall be subject to the following conditions:

1. (a) The total enrolment of students taking Studio courses for the Degree of Bachelor of Fine Arts shall not exceed 230.

    Note: the Studio courses are FINT 103 and the courses listed in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts.

    (b) The total enrolment of students taking courses leading to the degrees of Bachelor of Fine Arts (Hons) and Master of Fine Arts shall be limited by such constraints on space and staffing as the School of Fine Arts shall determine as existing in any one year.

2. (a) The total enrolment of students in FINT 103 shall normally not exceed 65, with no more than two international students.

    (b) Should more than 65 persons apply for admission to FINT 103 applications will normally be accepted in order of academic merit.

    (c) Normally not more than 50 places will be allocated in the first round of selection to applicants who have been examined in two NCEA Practical Arts subjects (or two Bursary Practical Arts subjects). Applications for entry under this regulation must be made within four years of completing the NCEA Practical Art credits (or Bursary Practical Art examinations). In assessing academic merit the School will place the greatest weight on performance in NCEA Practical Art but applicants must also satisfy the School regarding their ability and potential for success in non-studio areas of study.

    (d) Normally not more than 10 places will be allocated in the first round of selection to applicants who are not eligible for admission under Regulation 2(c) above or have failed to gain a place in a previous year but who can satisfy the School that they possess relevant skills and experience constituting a valid qualification for admission to FINT 103. For admission under this regulation applicants will be required to submit a portfolio of works and show evidence of ability in non-studio academic work.

Notes:

1 Applicants must apply to enrol by the
