## UC's Sustainability Approach

My vision for sustainability at the University of Canterbury UC that all activities at UC will have a strong sustainability focus and contribute to the world's sustainability.

# Ngā Mātāpono | Values

At UC we value manaakitanga  
whanaungatanga and tiakitanga.  
These values guide what we do and  
how we do things. They challenge  
and inspire us to empower  
others and to be the best we can  
in our work our studies and our  
interactions with each other.
